MANIFESTO CORE VALUES

(Or...why our Manifesto is important to our Brand)

Our brand and our marketing is a little unconventional and sassy (ok, so who are we kidding -- it's borderline snarky), but that's only because we want everyone to know how innovative, fun, frugal, creative, and quirky we are. **Our core values are important to us and are part of our brand.** When we communicate to our clients (via phone, email, face-to-face and in our marketing), it gives us an opportunity to be unique and tap into our core values and showcase our brand. We want the company to have a unique and memorable personality. Keep these core values in mind the next time you communicate with a client.

1.	Focus on Happiness and Exceeding Expectations We WOW people with our service!	6.	Embrace and Drive Change The best way to predict the future is to create it
2.	Trust and Faith are the Pillars of our Communication We keep everyone in the circle of trust!	7.	Have Fun and Be Quirky We're a little weird...but in a good way!
3.	Live and Love Passionately Passion is our middle name!	8.	Be Innovative, Creative, and Open-Minded We invent, experiment, grow, take risks, make mistakes and learn.
4.	Build a Positive Team and Family Spirit There's no "I" in team!	9.	Be Curious Let curiosity fuel results
5.	Learn Quick, Fail Fast, and Celebrate Success If at first you don't succeed, try, try again!	10.	Be Frugal and Spend Wisely We stay on budget like a boss!
